The screenshot shows a mobile application interface for a healthcare provider's profile. At the top, the status bar displays 'AT&T' and the time '11:56 AM'. The app's header features a hamburger menu icon on the left, the title 'PROFILE' in the center, and a settings gear icon on the right, which is highlighted with a blue circle containing the number '1'. Below the header, there is a navigation bar with two tabs: 'My AAO' (highlighted with a blue circle containing the number '2') and 'CE Manager'. The main content area displays the profile of 'Dr. Jane Smith', with the text 'ABO Diplomate: Yes' below her name. To the left of the name is a placeholder for a photo, labeled 'Photo'. To the right of the name is a button labeled 'Edit Info', which is highlighted with a blue circle containing the number '3'. Below the profile information, there is a section titled 'CONTACT INFORMATION'. This section contains a table with contact details:
